ABOUT MAKAUT

Maulana Abul Kalam Azad University of Technology was established in 2001 as a result of the West Bengal University of Technology Act. It aims to be a center of excellence in teaching and research in technology and management and promote industrialization based on a knowledge economy.

It offers a range of undergraduate and postgraduate programs and has affiliations with various institutions and industry collaborations. The main campus is located in Haringhata, Nadia, and the city campus is located in Salt Lake, Kolkata.

ABOUT THE FDP

The purpose of this FDP is to enhance the knowledge, skills, and understanding of participants in conducting and utilizing qualitative research methods. Qualitative research is a valuable approach for exploring complex phenomena, gaining in-depth insights, and understanding the subjective experiences of individuals and groups.

The FDP aims to equip participants with the necessary tools, techniques, and theoretical foundations to engage in rigorous qualitative research. It seeks to foster a deeper understanding of qualitative research paradigms, methodologies, data collection techniques, data analysis, and interpretation.

TARGET AUDIENCE

This FDP is targeted for the following category of audience across all disciplines :

- PhD Research Scholars and MPhil students across any discipline
- Faculty Members from affiliated & other colleges/Universities
- UG, PG Students
- Industry Persons
